

## FLUSH FIT SECTIONAL DOOR

### ELEGANCE & REALIABILITY

A **Flush fit sectional door** are designed to blend seamlessly with the external walls of a home. The garage door and the external wall are on the same plane, creating a seamless appearance.

These doors can be clad with a wide range of materials, including aluminium slats, sheet metal profiles, WPC profiles to name a few.

The door becomes an integral and nearly invisible part of the façade when closed. This is the latest trend in architecturally designed modern homes.

## ALUMINIUM CLADDING OPTIONS

**WIDE RANGE OF CLADDING OPTIONS ARE AVAILABLE TO APPLY YOUR  
CREATIVITY IN DESIGNING YOUR BEAUTIFUL HOME**

STATE OF THE ART DRIVE SYSTEMS  
ZT 800 - ZT 1000 - ZT1200
